RADIANT LIFE

ORIGINAL, JESUS-CENTERED CONTENT

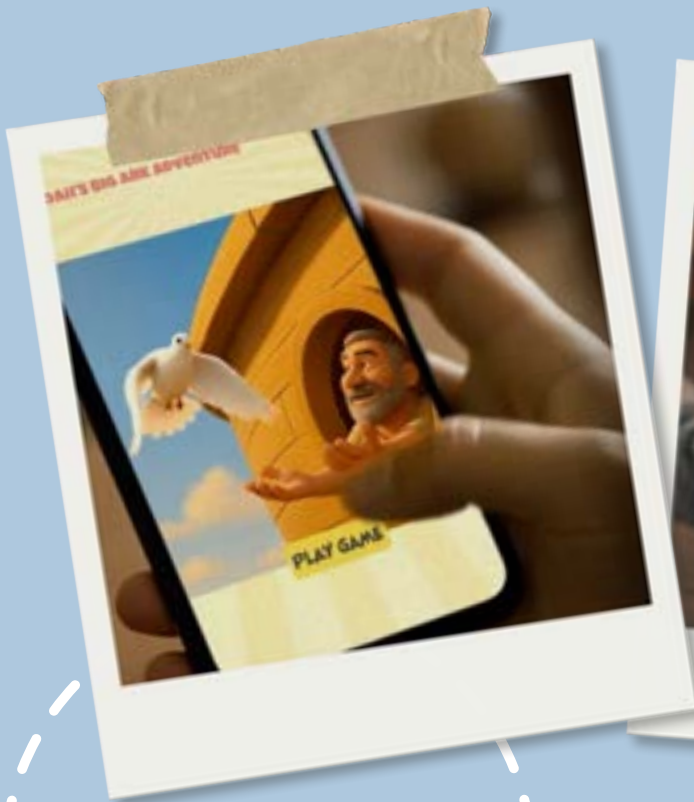

At Radiant Mobile, our mission is to take back the internet for God's people. We know doing so includes protecting your family while enriching your mobile experience by providing original, Jesus-centric content.

IN PARTNERSHIP WITH

After a 10-year legal effort at the U.S. Patent & Trademark Office, Elf Labs has won landmark rights to Cinderella, Snow White, Rapunzel, and more. Now, they're unlocking the vault & creating content with your favorite characters!

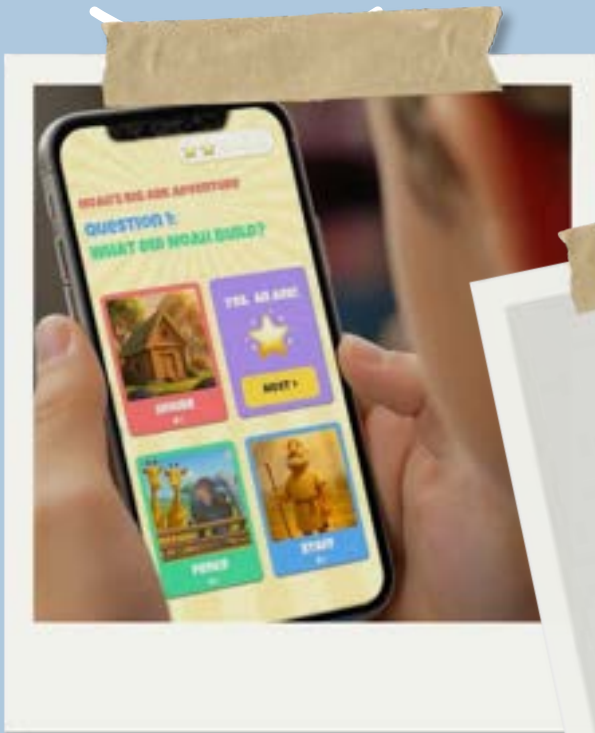

After each Radiant Original video, kids will be tested with a game to reinforce their learning. Kids can earn points by answering questions correctly, creating joy in learning scripture.

REEL GAMES

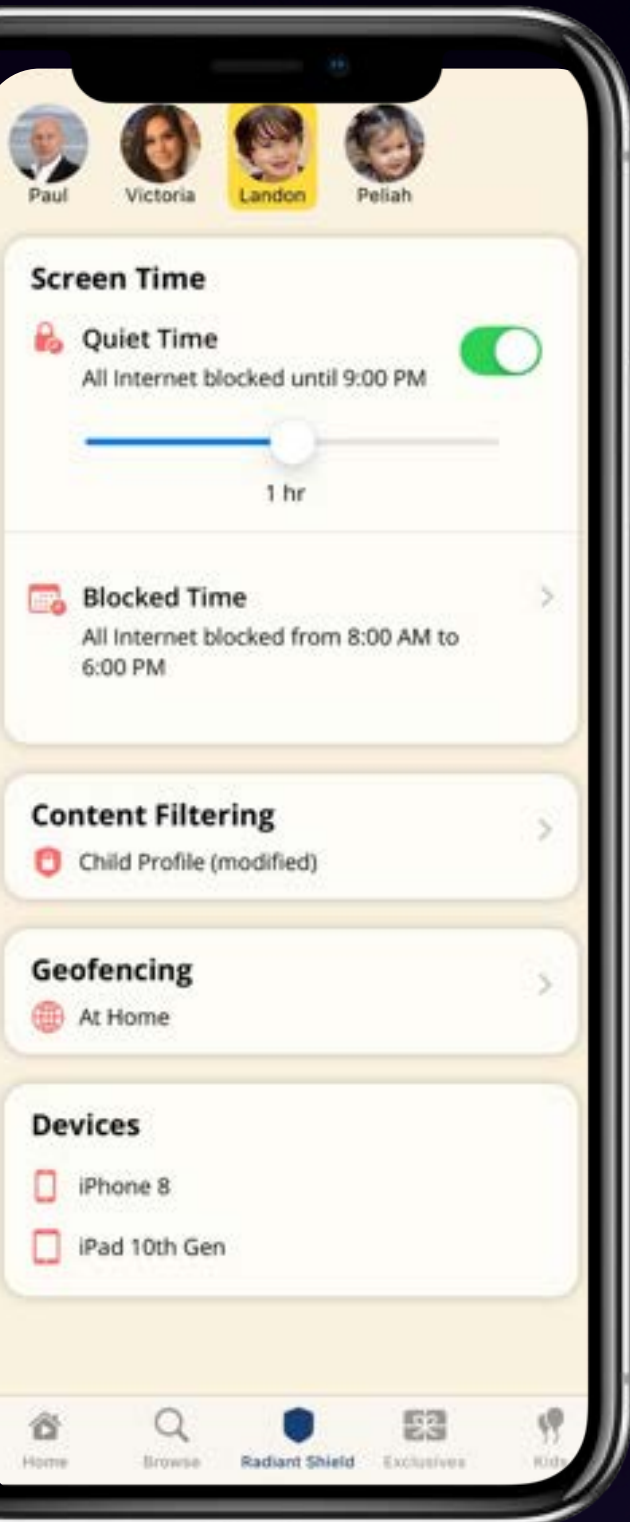

SCRIPTURE-BASED GAMES & REAL PRIZES

Each Radiant Original video is paired with a Reel Game, encouraging active learning through fun, interactive challenges.

Kids can earn points by answering questions correctly, creating joy in learning scripture. Every point becomes a raffle ticket into a monthly drawing with over \$1,000 in cash and prizes!

PARENTAL Controls that actually work!

TRADITIONAL TOOLS ARE INEFFECTIVE,
DIFFICULT TO USE, AND EASILY BYPASSED.
THAT'S WHY WE DEVELOPED
RADIANT SHIELD!

QUIET TIME

Turn off the Internet making the device completely ineffective. Do this at will setting a duration for your quiet time.

BLOCKED TIME

Block the Internet as you see fit. It's simple...just schedule it!

CUSTOM CONTROL

Parents can control the screen time settings for each child independently.

GEO-FENCING

Get alerts when your kids arrive home safe or when they leave school or any other location you configure.

UNHACKABLE

Because the Internet is blocked at the network level, kids can't find ways to bypass Radiant Shield.
